

SUNRISE MEDICAL'S 2019-2020 CYBER SERIES

Monthly webinars on topics related to seating and mobility are offered
free of charge by Sunrise Medical Canada Inc.

Webinars are offered on:

- The second **Tuesday** of every month from 1 p.m. to 2 p.m. Eastern Time (ET)
- The second **Wednesday** of every month from 11 a.m. to 12 p.m. Eastern Time
- The second **Thursday** of every month from 12 p.m. to 1 p.m. Eastern Time
- The second **Thursday** of every month from 2 p.m. to 3 p.m. Eastern Time

Webinars are complimentary; however, pre-registration is required due to limits on the number of computers that may log in at one time.

Please register* through the link below.

Prior to each webinar, you will receive a link and a password to enable you to attend the webinar.

A Certificate of Attendance is available after each session.

Sessions will be facilitated by

Sunrise Medical Canada Inc.'s Clinical Education Manager,
Sheilagh Sherman, BA, BHScOT, MHM, OT Reg. (Ont.)

Select the topic(s) that you would like to attend!

Register using the link below:

www.regpacks.com/CyberSeries1920

Note: Registration is open only to therapists, therapist assistants, funders, and vendors in Canada.

On-line registration closes 2 days prior to each webinar.

By registering for a webinar, you agree to receive the monthly Sunrise Medical newsletter, from which you may unsubscribe at any time.

**When you click on the link, you will be asked to create a free account with Regpacks so that you can change your selections later, if needed. The webinars are listed in your local time zone. After you register, an automatic email will be sent, which will contain links to add the webinars directly to your calendar.*

Please contact Sheilagh at **sheilagh.sherman@sunmed.com** if you have any questions.

The Assessment Process			
Tuesday, October 8, 2019 1 p.m. ET	Wednesday, October 9, 2019 11 a.m. ET	Thursday, October 10, 2019 12 p.m. ET 2 p.m. ET	This webinar focuses on the information that should be obtained during the assessment and how to obtain it. A must see webinar for any clinician new to seating and mobility.
Translating Assessment Findings in Seating and Mobility			
Tuesday, November 12, 2019 1 p.m. ET	Wednesday, November 13, 2019 11 a.m. ET	Thursday, November 14, 2019 12 p.m. ET 2 p.m. ET	This webinar provides a high level overview of translating assessment findings to generic equipment recommendation and selection, with a focus on seating.
Seating and Mobility: Special Considerations			
Tuesday, December 10, 2019 1 p.m. ET	Wednesday, December 11, 2019 11 a.m. ET	Thursday, December 12, 2019 12 p.m. ET 2 p.m. ET	This webinar continues the high level overview of translating assessment findings for various clinical presentations. Considerations for individuals who are bariatric and for older individuals are addressed. Positioning for kyphotic postures and sacral sitting and for hemiplegia and foot propulsion are amongst the scenarios included.
Head Supports: From Simple to Complex			
Wednesday, January 8, 2020 11 a.m. ET	Thursday, January 9, 2020 12 p.m. ET 2 p.m. ET	Tuesday, January 14, 2020 1 p.m. ET	Whether you are prescribing a head support for use with a tilt wheelchair, for occupied transit purposes or for an individual with poor head control, learn about how to select and fit headrest pads and hardware and how to accommodate forces. Available customizations also are reviewed.
Scripting Rigid Frame Wheelchairs			
Tuesday, February 11, 2020 1 p.m. ET	Wednesday, February 12, 2020 11 a.m. ET	Thursday, February 13, 2020 12 p.m. ET 2 p.m. ET	Learn about the choices that are available in models of rigid frame wheelchairs to match client needs. Understand the differences between open and closed frame designs and classic and standard frame styles. Learn how to select frame angle and inset, in addition to other choices required to script rigid frame wheelchairs.
Scripting Power Wheelchairs			
Tuesday, March 10, 2020 1 p.m. ET	Wednesday, March 11, 2020 11 a.m. ET	Thursday, March 12, 2020 12 p.m. ET 2 p.m. ET	Learn about the choice of power drive wheel location and suspension in models of power wheelchairs. Understand the various options that exist on an order form and how to make the most appropriate selections with a client. Powered seating and positioning options also are reviewed.
Alternative Drive Controls			
Wednesday, April 8, 2020 11 a.m. ET	Thursday, April 9, 2020 12 p.m. ET 2 p.m. ET	Tuesday, April 14, 2020 1 p.m. ET	This webinar reviews the adaptations that can be made to standard joysticks prior to considering alternative drive controls and describes proportional and non-proportional input devices and their clinical application. Some programming of alternative drive controls is reviewed.
Prevention of Sliding in Seated Mobility			
Tuesday, May 12, 2020 1 p.m. ET	Wednesday, May 13, 2020 11 a.m. ET	Thursday, May 14, 2020 12 p.m. ET 2 p.m. ET	Learn how to address the cause, rather than the symptom, of a client sliding from a wheelchair. Find out how generic seating selection, possible modifications, and wheelchair configuration can work together to address sliding.
Participation: Wheelchair Sports			
Tuesday, June 9, 2020 1 p.m. ET	Wednesday, June 10, 2020 11 a.m. ET	Thursday, June 11, 2020 12 p.m. ET 2 p.m. ET	This webinar reviews the psychosocial impact of sport and describes some wheelchair sports, such as tennis, basketball, and handcycling and the equipment that optimizes performance. Understanding the concepts of wheelchair configuration for sports performance helps us to understand performance in daily use wheelchairs.
