FEATURES AND BENEFITS

Baby Jogger City Select® Base

Intuitive, easy-to-use Baby Jogger City Select stroller features patented quick-fold technology, puncture-resistant rear wheels, and swivel front wheels with suspension and lock-out for long-distance strolls.

Carry-all Basket

Store up to 15 lbs. of your essentials below the seat.

Telescoping Stroller Handle

Allows for one-handed steering and adjusts to different caregiver heights.

NEW Slide-N-Lock™ Interface

Enables you to quickly and comfortably attach, remove, and reverse the seat in one simple motion.

Reversible Seat

Allows you to position the seat toward you to interact with your child, or forward so your child can explore their surroundings.

Optional Tilt & Recline

Assist with feeding, digestion, respiratory function, and visual orientation, and encourage achievement of developmental milestones such as bringing hands to the mouth, reaching for objects, or engaging in activities.

Options for Caregiver Convenience

Voyage Moderate Seating

Voyage Advanced Seating

Voyage Moderate Seating (VMS)

Designed for children with mild to moderate positioning needs. Offers soft, adjustable components and polka dot upholstery with colored accents.

Voyage Advanced Seating (VAS)

Designed for children with moderate to advanced positioning needs. Offers an extensive selection of seat options and adjustable components, and black stretch upholstery with colored piping.
